Carnival time is here! The Carnival is the single biggest FUNdraiser of the year for Patton Elementary and the proceeds directly enhance our children's learning experience. Carnival consists of food booths, game and entertainment booths, and the Silent Auction with Kids Raffle.

Traditionally, Patton classes each donate a Gift Basket for the Silent Auction, Sweet Shop Snacks, Drinks, and Booth Volunteers. I'm hoping to win the Most Creative Basket contest this year so each of our children can win 10, 5 or 2 tickets to the Carnival! All of the details are below. Please choose which part(s) of our class assignments you want to help with and return the this page in your child's folder or email me your choices (this way I can eliminate duplicate choices...thanks!). Don't forget to make a note to yourself, too. Unless I contact you, your choices are considered promised and expected by the due dates. You are welcome to send things in early, and this is appreciated ☺. Feel free to contact me with any questions!
