August 24, 2009

The 25<sup>th</sup> Annual Patton Elementary Carnival and Silent Auction sponsored by the Patton PTA are underway. We have moved our Glow In The Dark themed Carnival from the Spring to Fall in order to provide our school and community with a fun and family centered fall themed event.

We are asking local businesses to consider participating by donating merchandise, services or gift certificates for use in our Silent Auction or Children's Raffle with proceeds directly benefiting the student population of Patton. Your participation directly ensures educational enhancement and keeps our classrooms amongst the best in Texas Exemplary Schools.

As we are asking for your support, we are also encouraging a mutually beneficial relationship by providing thorough advertising for your business to our 750+ school families, 100 faculty and staff, our neighborhood and our community at large. All participating businesses will receive advertising. Details are on the reverse of this page.

We also have opportunities for Booth Underwriting Sponsorship of our Carnival listed on the reverse of this page.

Please find the enclosed donation form to return to us indicating your support and choice of donation item. Donations are tax deductible as allowed by law. Please return your donation(s) with a copy of the enclosed Charitable Contribution Form. If item needs pickup arrangement, please contact Pat Seyfarth or your Patton Representative.

Thank you for your enthusiastic support and impacting our children's success!
